India to insist on govt-to-govt pact versus taking tender route

India is looking to strike a hard bargain with Sri Lanka and would want a government-to-government agreement for a terminal presence in Colombo port — a regional transshipment hub through which a large portion of India's export-import cargo containers are transhipped — for strategic and security reasons.

In Kochi, PM Modi says India is giving topmost importance to develop its blue economy

Prime Minister Narendra Modi said that India is giving topmost importance to develop its blue economy. While inaugurating several projects in Kochi, he said, “Our vision and work in this sector include improving infrastructure on current ports, more ports, offshore energy, sustainable coastal development and coastal connectivity.

PM Modi to inaugurate 2nd Maritime India Summit on March 2; 24 nations to attend: Mandaviya

Prime Minister Narendra Modi will inaugurate the second edition of the Maritime India Summit 2021 (MIS 2021) on March 2, which will be held virtually and is scheduled to be participated by 24 nations, Union Minister Mansukh Mandaviya said. As many as 56 maritime nations, except China, have been invited to participate in the Summit through Indian missions in those countries.

Global shipping turmoil expected to calm down by mid-year

The world's largest container carrier said trade disruptions that have sent freight rates soaring and overwhelmed major ports may start to ease after the first quarter, disappointing investors but signaling eventual relief for cargo shippers.

'It's a juggling act' say handlers as cargo congestion swamps Europe's airports

Forwarders and other stakeholders are being urged to help stem the chaos at airports, as multiple hubs and handlers across western Europe face severe congestion, with no sign of flows easing despite China's holiday.

E-comm platforms have reduced export barriers

The advent of e-commerce platforms has not just enabled India's micro, small and medium enterprises (MSMEs) to sell their products across different markets in the country but has also reduced many of the entry barriers that small businesses face as they try to foray into the export market, according to players from the e-commerce, exports and small business sectors.
