## Logistics Industry News

**As exports rise, container prices increase at major Indian ports**

As the world economy recovers from COVID-19 disruptions and demand for exports rises, container prices at major ports, such as Chennai, Mundra and Nhava Sheva, remain high.

### **Another shipping crisis looms ahead**

First, it was a critical shortage of shipping containers due to the pandemic. Then came a massive blockage in the Suez Canal. Now, businesses and consumers are bracing for yet another shipping crisis, as a virus outbreak in southern China disrupts port services and delays deliveries, driving up costs again.

### Govt set to raise funding for exports scheme, clear dues

After months of dilly-dallying, the centre is set to clear the pending dues of exporters. The allocation under Remission of Duties and Taxes on Export Products (RoDTEP) scheme, that was put in place, is being enhanced to Rs 17,000 crore for the current financial year, against Rs 13,000 crore provided earlier.
