Good news for airlines and cargo as Australia looks set to reopen borders

Australia is set to re-open its doors to international tourists next week, paving the way for a welcome boost to airfreight capacity. Prime Minister Scott Morrison has confirmed the 21 February reopening after nearly two years of Covid border restrictions, allowing "fully vaccinated" passengers with a visa into the country for the first-time with no prior exemption required.

Sea freight rates rise 800% on reduced capacity

SEA freight rates have increased up to 800% in some routes – a 100% increase than in October last year (700%) – due to reduced available capacity on shipping lines and container shortage, based on recent feedback received by the Malaysian National Shippers' Council (MNSC).
