Greater NOIDA to become hub of multi-modal logistics

The region of Greater Noida Industrial Development Authority in Uttar Pradesh's Gautam Buddha Nagar is all set to become a hub of world-class multi-modal logistics. The Multi-Modal Logistics Hub (MMLH) and Multi-Modal Transport Hub (MMTH) is to be built in Greater Noida with an investment of Rs 7,725 crore. This is mainly because of the connectivity of the Integrated Industrial Township to Jewar Airport.

Middlemen worried as box lines, terminal operators offer door-to-door service

Global terminal operators and container shipping lines are exploring end-to-end freight management, a move that will drastically curtail the role of freight forwarders. On Wednesday, Dubai-based DP World launched CARGOES Logistics, a new digital logistics platform that helps customers book freight by sea, road and/or rail, get instant quotes, booking confirmation and multiple secure payment options.

SIMA seeks steps to stabilise cotton prices

The Southern India Mills Association (SIMA) on Tuesday appealed to Prime Minister Narendra Modi to introduce an innovative Cotton Procurement and Trading Scheme for Cotton Corporation of India for price stability. It can be done by providing government funding to procure 10 to 15 per cent of the cotton that arrive in the market during the season and by creating a strategic stock for price stability, selling cotton only to actual users in a staggered manner till the end of the season and maintaining some buffer stock for the next season, SIMA Chairman Ravi Sam said in a statement here.
